Notes: Constant (inflation-adjusted) dollars were calculated based on the Consumer Price Index for all Urban Consumers (CPI-U) for FY2010.

- a. Amount includes an additional \$225 million appropriated in P.L. 98-8.
- b. Amount includes \$25 million earmarked for training of day care providers, licensing officials, and parents including training in the prevention of child abuse in child care settings (P.L. 98-473).

- c. The entitlement ceiling for FY1986 was \$2.7 billion. However, the Gramm-Rudman-Hollings legislation sequestration of funds for that period reduced the funding by \$116 million to \$2.584 billion.
- d. The 1987 Budget Reconciliation Act (P.L. 100-203) included a \$50 million increase in the title XX entitlement ceiling for FY1988; however, these additional funds were not appropriated.
- e. OBRA 1989 (P.L. 101-239) included a permanent \$100 million increase in the title XX entitlement ceiling to \$2.8 billion, beginning in FY1990.
- f. The FY1990 appropriation included a supplemental appropriation of \$100 million (P.L. 101-198). The Gramm-Rudman-Hollings legislation sequestration of funds for FY1990 reduced the funding by \$37.8 million to \$2.762 billion.
- g. The \$2.8 billion appropriated amount shown does not include the \$1 billion that OBRA 1993 made available on an entitlement basis under title XX for empowerment zones and enterprise communities.
- h. At the time of the FY1996 appropriation, the entitlement ceiling for title XX was still permanently set at \$2.8 billion. However, the 1996 welfare reform law (P.L. 104-193) amended title XX of the Social Security Act to set the annual entitlement ceiling at \$2.38 billion in each of fiscal years 1997-2002. (P.L. 105-178 in 1998 subsequently lowered this ceiling beginning in FY2001.)
- i. The FY2000 Consolidated Appropriations Act (P.L. 106-113) set title XX funding at \$1.775 billion, of which \$425 million could not be obligated to States until September 29, 2000.
- j. Under the Transportation Equity Act (TEA, P.L. 105-178), the title XX entitlement ceiling was scheduled to be permanently reduced to \$1.7 billion beginning in FY2001.
- k. The Consolidated Appropriations Act of 2001 (P.L. 106-554) contained \$1.725 billion for title XX, exceeding the ceiling established by TEA (P.L. 105-178).
- l. The FY2006 Labor-HHS-Education Appropriations Act (P.L. 109-149) maintained regular SSBG funding at \$1.7 billion. The FY2006 Defense Appropriations Act (P.L. 109-148) provided an additional \$550 million in SSBG funding, for necessary expenses related to the consequences of hurricanes in 2005.
- m. The Consolidated Appropriations Act of 2008 (P.L. 110-161) maintained regular SSBG funding at \$1.7 billion. However, the first FY2009 CR (P.L. 110-329) included, as Division B, the Disaster Relief and Recovery Supplemental Appropriations Act of 2008, which provided \$600 million in supplemental funds for the SSBG. These funds were appropriated on the last day of FY2008, but were not allotted to states until FY2009.
